To the Board & Members

### Alberta Sailing Association

We have examined the accompanying financial reports of Alberta Sailing Association for the fiscal year October 1, 2022 to September 30, 2023 and the related statements of activities (journal entries), bank statements, invoices, cheques, expenses, deposits, donations, obligations and changes in net assets. We have reviewed the board minutes and other documents to ensure that all activities with significant financial implication are properly disclosed in the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Alberta Sailing Association.
